

Cursive I

Trace the dotted letters, then write your own.

Name _____

Date _____

Capital I

Handwriting practice line for the letter 'r'. The line consists of a solid red baseline, a dashed midline, and a solid blue top line. The letter 'r' is shown in a large, solid black font on the left, followed by ten dotted 'r's for tracing. The letter 'r' is formed by a vertical stroke from the baseline to the top line, and a curved stroke starting from the middle of the vertical stroke, arching up to the top line and then curving back down to the baseline.
